

## HORIZON YACHTS FD85

The Horizon FD85 fast-displacement motoryacht (87'1" LOA, 23'3" beam) features a striking exterior appearance, spacious layout and flexible speeds. Her design – a close collaboration between yacht designer Cor D. Rover and Horizon's in-house naval architecture team – boasts voluminous aft deck lounge seating to the expansive open flybridge. The Horizon FD85 is powered by twin CAT 1600 engines for a top speed of 20 knots and has a flexible cruise speed of 10-16 knots, with a range of 1,534 nm at 10 knots. The full-beam master stateroom is on deck and features a king bed, skylight and ensuite head. The ensuite guest staterooms include a bow VIP, mirrored aft VIPs, and a twin guest stateroom that converts from two singles to a double; crew quarters are located aft of the engines. On the main deck, large windows bring natural light into the main salon and formal dining, and the FD85 can be piloted from either the raised pilothouse helm or the exterior helm on the open flybridge. ## REGULATOR 34

The Regulator 34 (33'10" LOA, 10'11" beam) offers a design that maximizes space to the point of rivaling its 39-foot competitors.

Regulator's signature deep-V hull, designed by Lou Codega, is matched by low bow rise and peak performance. The 34 runs to a top speed of 56.7 mph and its optimum cruising speed is 35 mph powered by twin Yamaha 350-hp engines. Fishermen's favorites include a 42-gallon transom livewell, 220-quart transom fish box, and 3X Deluxe Tackle Center with rigging station. Let out your lines with optional Taco Grand Slam 380 outriggers with carbon fiber poles, and keep the fish on ice with an optional refrigerated chill plate for the transom fish box. A berth features sleeping accommodations for two and abundant rod rack storage, and there is a starboard boarding and dive door and removable watersports tow bar. ## TIARA SPORT 38 LS

The Tiara Sport 38 LS (38'1" LOA, 12'6" beam) offers supreme functionality with walkaround capabilities, an island-style outdoor galley, and bridge and lounge seats reachable via both port and starboard entries. Accessible social zones allow guests to experience a myriad of waterplay activities, dining in the open air, luxury lounging via a convertible sunpad, elegant cabin, and aft cockpit areas. Wraparound forward bow seating provides even more space to enjoy time on the water together. Powered by triple Yamaha 350-hp engines, she tops out a 55.6 mph and cruises 253 miles at 34.8 mph. Garmin's systems provide ease of use for the captain, and optional Yamaha Helm Master Joystick steering provides additional control whether underway or docking.
